

CRAYLER F3 203 GT-S

PALFINGER CRAYLER

The lightest in its class

"Less is more." With its dead weight of only 1850 kg (!) without forks, the intelligent CRAYLER F3 203 GT-S scissor-type forklift, which has been developed and built with the focus on maximum weight-saving, brings not only more payload but also improved road handling for the LGV!

Lowest weight.
Highest efficiency.

Technical data CRAYLER F3 203 GT-S

Load capacity	2000 kg / 1400 mm LC (Load centre)
Engine	4 Cyl. diesel engine, 24.5 kW (33.3 hp) 3 Cyl. diesel engine, 18.0 kW (24.5 hp)
Dead weight	from 1850 kg (without forks)
Lift height	up to 3700 mm

Safe and fatigue-free working

- The compact scissor system has been developed with the aim of providing the "best view over the main working area"
- Operating controls arranged with ergonomic principles in mind
- Freedom of movement ensures comfortable, efficient working

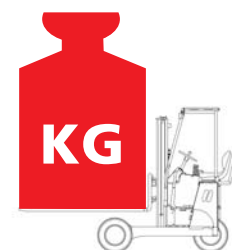

Fast and flexible

- Goods on disposable and special pallets can be picked up more easily due to the slim steel forks
- The forklift's capability for fast extension enables a high working speed

Weight Optimisation

- Excellent weight / performance ratio!
- More output
 - Greater safety
 - Cost savings

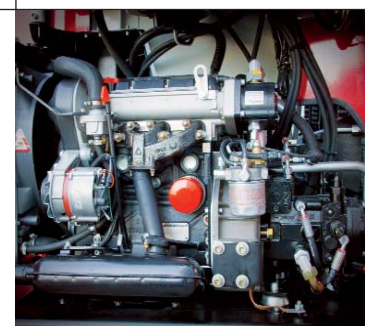

Top stability and steadiness

- Stabilisers ensure excellent stability and steadiness
- Cylinders of the stabilisers are excellently protected from dirt and damage
- Low servicing and repair costs

Easy, time-saving maintenance

- All maintenance and servicing points freely accessible

All-terrain capability and manoeuvrability

- Thanks to the use of the tried and tested all-wheel drive system, it's ready for action even in difficult terrain
- The 180 degree steering angle ensures speedy, efficient work even in extremely cramped conditions

Palfinger Service

- 24 h service backup
- 1500 service centres
- Qualified customer service representatives
